## PREFACE.

---

The following points may be of interest to Subscribers :—

1.—Instituted in 1774 for the Medical and Surgical relief of the sick poor.

2.—Under Royal Patronage almost from its foundation.

3.—The oldest Dispensary save one in the metropolis.

4.—Unendowed and entirely dependent upon voluntary contributions.

5.—Unrestricted as to the locality whence the patients are admitted.

6.—The Parent Institution of the St. George's and St. James's Dispensary, which was an off-shoot of the Westminster General Dispensary in 1845, returning to the fold on January 1st, 1907.

7.—Representing the Out-patient department of the Hospitals, it also affords, especially to the aged and infirm, and to women and their little children, the inestimable advantage of the home visits of the Resident Medical Officer.

8.—Supported by the Corporation of the City of London, several of the City Liveried Companies, the Hospital Sunday Fund, the Hospital Saturday Fund, and Alexandra Day.

It is said that the premises of the Dispensary were originally known as the "Turk's Head," much frequented by Dr. Samuel Johnson during the last ten years of his life ; and his chair is still used by the Chairman of this Institution.

REPORT OF THE COMMITTEE  
TO THE GOVERNORS & SUBSCRIBERS.

## One-Hundred-and-Sixty-First Annual Report.

1.—The Committee have to report that the work of the Charity has been well and efficiency maintained during the past year, medical and surgical assistance having been afforded to a large number of patients.

Of the total number of patients about five-sixths reside in the Parishes of St. Anne, Soho, St. Martin-in-the-Fields, St. Giles-in-the-Fields, and St. George, Hanover Square, and St. James, Piccadilly, the remainder coming from other parts of London.

2.—One of the most valuable services rendered by the Institution is the practice of our Resident Medical Officer to visit, in their own homes, those patients whose condition prevents their attendance at the Dispensary, a real boon to mothers with little children, and to the aged and infirm.

3.—The Dispensary has been open, as hitherto, on Tuesday evenings at 8 o'clock for the admission of working-men who cannot conveniently attend in the daytime, and special facilities are provided for the treatment of Dental cases on Thursdays, at noon.

4.—The London County Council Clinics for School Children (Soho School Treatment Centre), established at the Dispensary in June, 1916, for the treatment of Dental and Ophthalmic cases are undoubtedly carrying on a very good work in a populous district, and are very much appreciated by a steadily increasing number of patients.

5.—The Committee are pleased to announce that Alderman Frank Rye, Miss D. M. Hulbert and the Rev. R. Webb Odell have joined the Board of Management.

They record with deep regret the decease of the Rev. Basil G. Bouchier. During his period of ministration in the Parish of St. Anne he had been a member of the Committee, and they much appreciated the value of his services.

6.—The Committee record that owing to his removal from St. Thomas's, Regent Street to Fulmer, near Slough, the Rev. John E. T. Evitt has retired from their Board.

7.—The Committee desire to express their appreciation of the valuable services which the Honorary Medical and Surgical Staff so ungrudgingly render to the Institution. They have been ably assisted by their House Surgeon, Dr. T. I. Hughes who, in September, was re-elected for a further term of twelve months.

8.—Efficient and much appreciated work has been rendered to the Dispensary by the Nurses of the Metropolitan District Nursing Association.

9.—The Committee are glad to acknowledge the receipt of a supply of Strength of Wheat N. R. G. from Energen Foods Co., Ltd. (Special Dietaries) of 32, Bridge Road, Willesden, for distribution to various patients of the Charity.

10.—The best thanks are given to the Gaumont British Picture Corporation, Ltd. for the benefit the Institution

has received from Sunday Openings of Cinemas, and the receipts from this source amounted to £53 12s. 4d.

The following are some of the larger contributions :—

12.—In gratefully acknowledging the valuable help afforded by the Governors and Subscribers, the Committee venture to make an urgent appeal to all friends of the Dispensary to do their utmost to secure increased support, especially in the form of Annual Subscriptions, and in view of the imperative necessity of carrying out extensive repairs and internal renovations to the Building.
